

24 Month Timeframe - Child

Take this assessment 24 months after enrollment.

Date: _____ Staff: _____

Case Number (child): _____ Case Number (adult): _____

Child's Date of Birth: _____

Well-Child Visit

1. Does your child have a primary care provider (a place that your child USUALLY goes when he or she needs routine preventive care, such as a physical examination or well-child check-up?)

Yes No

2. Have you taken your child for any well-child check-ups in the last 3 months?

[NOTE: This question includes only regular well-child visits, not sick visits.]

Yes No

If yes, please mark all the well-child visits your child had in the last 3 months?
